

## Responsibly Produced Peat in process to renew certificate

Date of publication 17 November, 2022

Responsibly Produced Peat intends to renew the RPP-certificate to the company named in this document. This intended decision is based on the fact that the company meets the requirements of the RPP certification scheme version 3.0. The fulfilment of the criteria is checked by an independent qualified inspector, including inspection at location.

During a period of 6 weeks, from **the 17<sup>th</sup> of November until the 29<sup>th</sup> of December, 2022** Responsibly Produced Peat offers parties concerned the opportunity to provide comment on the proposed decision. Questions and comments can be sent to [info@responsiblyproducedpeat.org](mailto:info@responsiblyproducedpeat.org). Without further objections, after this comment period, the certificate for the location in concern will be renewed for another 5 years.
